# The Beginning

of school is an anxious time for many people. This is the time when we leave summer vacations behind us and begin looking forward to a new summer. It is a very hectic time and there are many things to look forward to — or not look forward to. Consider: seeing old friends ... seeing old enemies ... making new friends ... making new enemies ... new gossip ... homecoming ... picking on seventh graders ... lockers that don't work ... sharing your locker with two other people ... finding a new guy or girl ... seeing who your ex. is with now ... a new yearbook ... getting new clothes ...

Friday night slumber parties ... Monday morning pop tests ... classes with good looking guys and girls ... being the only guy or girl in the room ... no air conditioning ... Mr. Hoitt's lectures ... getting up early to catch the bus ... finishing Miss Mitchell's project the night before it is due ... Miss Lee's posters ... Shakespeare as translated by Mrs. Ray and Mrs. Thompson ... Mr. Beasley's cigars

Mrs. Knight's sewing machines ... Mr. Adam's band ... Mrs. Millers bugs ... Mrs. Wilson's numbers ... Mrs. Dillon's bad moods ... dressing out in P.E. ... the talent show ... band clinics and contests ... choir uniforms ... roaming the halls ... getting detentions ... dropping your tray in the cafeteria ... having your picture taken at the wrong time ... ISS ... skipping ... field days ... missing soap operas ... smelly bathrooms ... Mrs. Goff the super-sub ... getting your braces ... having your braces taken off ... school dances ... field trips ... basketball games ... football games ... track meets ... meeting your honey ... dragging books around ... crowded halls ... ninth grade graduation and on and on.

But no one thought we would have a visitor named

*Fredrick*

## *Dedicated To Mr. Weathersby*

Mr. Weathersby has gained the respect of teachers, students, and the community through his sincere and untiring efforts to guide young people in selecting paths for their lives.

He is a man who has been an inspiration to everyone at Magnolia. Although he is soft-spoken, he has touched our lives with the loudness of concern.

Mr. Weathersby, thank you for being an advisor, confidant, and friend to all of us at Magnolia Junior High.
